4.2 County Councillor

Unfortunately, the number of Covid Cases are rising in the county again and there has been one case of the Delta variant in the County. North Yorkshire has one of the highest vaccination rates in the country.

Cllr Les has had a complaint about the road surface and cleaning in King's Close. Highways have carried out a survey and have put an order in for the work. Road cleaning is carried out by the District Council so he has passed the complaint on to them.

Cllr Les has been discussing access to the housing over the beck from Low Green with a resident for a while. The resident had been concerned when a furniture lorry was unloading for most of the day and so blocked Beckside for all but very small vehicles and pedestrians. His wife needed medical attention, and went to hospital by car, but if an ambulance was needed, he thought it would not have been able to cross the Stone Bridge because of its size and in his opinion a fire engine would not be able to cross the bridge either. Highways have been out to check the width of the bridge and have said that it is wide enough for all emergency vehicles.

4.3 District Councillor Threlfall

He is taking the issue about RDC not emptying any newly installed litter bins to the full Council in July as he does not agree with this policy. If they are passing the bins, why not empty them.

4.4 District Councillor Rowe

An environmental Impact Assessment has been carried out on the land near Fort Bridge to see if it would be feasible for an industrial site to be developed there.
