8 Crimes reported between 07/12/20 – 03/01/21

5 Reports of fraud - callers report telephone/text/internet scamming, which were passed to Action Fraud.

Could I take this opportunity to make a point of how residents of Catterick Village Community are continuing to make the right steps to prevent the fraudsters attempting over and over again to obtain money by tricking people into sending them their saving's. Please continue to be suspicious, any calls/emails/texts from people who are saying they are from a BANK, BT, AMAZON, POLICE etc. saying you owe money or asking for payments, DO NOT GIVE ANY BANK DETAILS TO THEM. Please continue to report any scams to Action Fraud or North Yorkshire Police via 101. Well done.

3 x Burglaries - 2 house burglaries on Oran Lane are still under investigation.

- 1 report of a male entering a home through the conservatory door, he was discovered and fled.

3.2 County Councillor Les. He reported that the number of Covid cases in Richmondshire has increased dramatically to 411/100,000, an increase of 145 over the last 4 days. The greatest increase seems to be in the 16-44 age group but the severity of the cases does not seem to be getting worse.

3.3 District Cllr Threlfall. He reported that the vaccine centre at Tennants in Leyburn is working well.

4. Minutes of the last meeting held on 7th December 2020 were approved

Proposed: Cllr Campbell Seconded: Cllr. Bannister

5. Matters arising. a) Cllr Bannister has contacted Westwood Timber about replacing the wooden balance beam in Arena View. They are to carry out this work and the repairs to the multiplay centre in King’s Close (funded by RDC) at the same time

b) Cllr Threlfall said that the Veterans Association is to help replace the roof on the bus shelter where the ‘Swap Shop’ is held. If it is replaced like for like and to the satisfaction of RDC then they will keep ownership of the bus shelter.

c) The Clerk and Cllr Campbell met up with John Wray and Colin Brown to discuss the replacement of the stile on the public footpath on one of his fields down Oran Lane with a gate. Mr Wray agreed to have the stile into the field replaced with a self closing galvanised metal gate and at the other end of the short track replace the stile with a self closing wooden gate. Colin Browne would make this gate and install both gates. Total cost would be £679. Cllr Les has previously mentioned that he was willing to give £400 from his Locality Budget Fund for this project so the Parish Council would have to pay £279.

The Clerk asked if this was acceptable. Cllr Claypole proposed it and Cllr Rafferty seconded it. The rest of the Councillors agreed. The Clerk will apply for the grant.

d) The Clerk wondered if the Village Memorial Bench Policy needed amending to include High Green. A resident from this area has been in touch with Cllr Claypole about the possibility of putting a memorial bench here. Cllr Bannister said an amendment would not be needed as this was covered in the first section of the policy that stated that suitable locations would be considered where people would make good use of the bench.

The Councillors agreed that the resident could go ahead with organising a bench but would need to choose one made from recycled material and check with the Parish Council to make sure that it is suitable. Cllr Young has a company that he has used for other benches in the village. He will pass on the details.

6. Current Issues.

6.1 Final Rd Safety Audit for the Local Access Road (LAR) – A6055. This is to be carried out by NYCC on behalf of Highways England and follows the upgrade of the A1. The main concern is the T junction joining the A6055 from Catterick Bridge.

Other concern have previously been raised by Cllr Wyrill about the two junctions near Catterick Village . Slow moving vehicles coming out of the junction from the new A1 fly over and then wanting to turn left into the Catterick turning are being caught up by fast traffic along the LAR. He had wondered if a turning lane could be made.

6.2 Website. The Clerk asked the Parish Councillors if they would send her a photo(if they wanted) and a short piece about themselves so that it could be put on the website. She also asked if it was alright for her to contact the various organisations in the village to see if we could put their details on a Local Services page. They agreed to this.

7.1 The periodic accounts circulated prior to the meeting were approved and accepted by the members.

Proposed: Cllr Bannister Seconded: Cllr Rafferty

7.2 Precept for 2021/2022 As mentioned last month the Band D Tax band has been reduced. To maintain the Parish Council portion of the Council Tax at the same level the amount of Precept asked

for from RDC can be reduced to £34,600, a drop of £747.94. This would still give a balance at the end of March 2022 of £27,000. The Parish Councillors agreed to this. The Clerk will contact RDC.

8. Correspondence. The Clerk has received an email the Citizens Advice thanking the Parish Council for the donation that they gave to them in November.

9. Planning Applications . 20/00930/FULL Full Planning Permission to Remove Existing Conservatory and Rebuild with Block Construction, at 24 Willow View (Retrospective)The neighbour of this property has previously contacted the Clerk as he was worried about the height of the new extension and it blocking out the light. The Clerk has contacted RDC planning about this but at the time they said that as long as the eaves of the extension was lower than the original property then planning application was not required. From the plans, the eaves are higher so an application is now needed.

The Parish Councillors wondered if a light survey has been carried out to see what affect the extension has on the neighbouring property. The Clerk will contact planning about this. Cllr Threlfall will also contact planning and ask about the light survey.

10. Minor Matters Cllr Claypole brought up the matter of the parking along the front of the pharmacy. Over the last year the parking has become harder. She asked if a 2 hour waiting restriction could be put on for non residents as cars are being left all day. Cllr Les said that this is feasible but the 2 hour parking would apply to everyone. The residents would then have to buy a parking permit but a specific parking spot would not be allocated. It would also cause problems for people who work in the village and leave their cars here. They would then have to find a different parking place which would not be easy in the village.

Date of next meeting – Monday February 1st 2021 The meeting closed at 19.35
